RIVERSIDE | Library

MUST-KNOWS

1

Find books, journals, current hours, library news, events, free workshops, and more online at library.ucr.edu.

2

Your **R'Card** is your **library card**. Use it to check out books and other library resources and technology.

3

Access **library resources** like databases, journals, and more from **off-campus** using just your UCR credentials!

4

We have **group study rooms** in both libraries. Reserve a room on our website.

5

Research assistance is available in person, by phone, or email. You can even reach us 24/7 using the 'Ask Us' chat feature on our website.

5

WAYS TO USE RIVERSIDE | Library BEYOND STUDYING

1

Check out popular e-books and digital magazines for FREE at ucr.overdrive.com.

2

Join us during Week 10 and Finals Week for fun FREE stress-relieving activities during our **Finals Week Stress Relief** event series!

3

Try out 3D printing or virtual reality in the **Creat'R Lab Makerspace** in the Orbach Library!

4

View an **exhibit** in the Tomás Rivera Library.

5

Grab a **Maker Box** from the lobby of either library. Take it anywhere within the library and unwind by doing a fun maker-type activity.

Course Materials Without the Price Tag!

USE UCR LIBRARY COURSE RESERVES!

The UCR Library's course reserves service allows instructors to set aside **textbooks**, **e-books**, **videos**, and **articles** for students to checkout from the Library.

COURSE RESERVES

It's **FREE!** Just bring your R'Card to the Circulation/Reserves Desk!

Loan periods range from **2 - 72 hours**.

Check if your class has items on course reserve through **UC Library Search**.

Scan the QR Code for more details on how to find course reserves.

Other Library Resources
